You will make 3 putting attempts on the 18th Green in the preliminary round. The closest putt will be tabulated for each individual. The top 3 competitors from the football and soccer teams will compete in the Putting final. In the final round each of 3 team competitors will make 2 putts towards a new golf hole. **Chipping and Putting relay (15 Team Points):** Teams can enter as many (2-person) teams as they want. (Participants can only participate once and for only one team) Entry fee is \$10 per person. This is a timed event where individuals will start from an area just off the green (approach area). One team member will chip towards the hole, when the ball comes to a stop the other team member may putt the ball towards the hole. Each team member will alternate shots until the ball is sunk. The team must then return to the starting point and reverse roles. Their total score for both "runs" will determine their total score. There will be additional strokes added to the teams total if they fail to finish within the allocated time. The lowest 3 team scores from each respective sport will be added together to determine the winner and receive 15 Team points!
